Mr. Michael E. Lyden  
Vice President  
Storage and Transport  
The Chlorine Institute  
Washington, DC 20001

Dear Mr Lyden:

This is in reference to your letter dated February 3, 1993, requesting an amendment of the Hazardous Materials Regulations to provide for the use of salvage cylinders for shipping leaking chlorine cylinders.

Your letter has been accepted as a petition for rulemaking under § 106.31 and assigned number, P-1168. If you should write to us regarding this petition, please make reference to this petition number.

Sincerely,

A handwritten signature in cursive script that reads "Verdell M. Simpkins".
